

## Publications of Dr. Manasi Mandal

Sl.No.	Title of the paper	Journal	Year	Volume	Page No.	ISSN No.	Impact Factor	Journal No. As per latest UGC list	Whether you are First author or co-author
1	Addition of <i>Senna dedymobotrya</i> (Fresen.) H.S.Irwin&Barneby to the flora of Sikkim	J.Botan. Soc. Bengal UGC listed	2022	76(2)	57-61	0971-2976	-	292	First author
2	<i>Bulbochaete nana</i> var. <i>chungkingensis</i> (Chlorophyta-Oedogoniaceae): a new record to the Indian Himalaya.	J. Econ. Taxon. Bot. Peer reviewed and UGC listed	2020	44	1-4.	0747-9964			First Author
3	<i>Bulbochaete sinensis</i> C.-C. Jao (Oedogoniaceae): an addition to the algal flora of India.	J.Botan. Soc. Bengal	2020	74(1)	98-101.	0971-2976	-	292	Sole author
4	Notes on the occurrence of poorly known <i>Mimulus orbicularis</i> Wall.ex Benth. (Phrymaceae) in India	J.Botan. Soc. Bengal UGC listed	2019	73(1)	69–73.	0971-2976	-	292	Corresponding author
5	<i>Bulbochaete thanguensis</i> (Oedogoniaceae), a new species from Sikkim Himalaya, India.. .	Phytotaxa	2018	346(3)	280-286	ISSN 1179-3155 (print); ISSN 1179-3163 (online )	1.171	30917	First author
6	Taxonomy of <i>Draparnaldia</i> Bory and <i>Draparnaldiopsis</i> G.M. Sm. and Klyver (Chaetophoraceae): recircumscription, new species, new combinations and nomen novum.. DOI: 10.1002/fedr.201800027	Feddes Repertorium UGC listed	.2019	130(3):	302-312	1522-239x	0.265	29282	First author
7.	Traditional uses and phytochemistry of <i>Ampelocissus latifolia</i> (Roxb.) Planch tuberous root through GC-MS technique..	JEES UGC listed	2017	1(2)	51-53	ISSN : 2456-5156			Corresponding author
8	<i>Basilicum polystachyon</i> (L.) Moench (Lamiaceae)- a rare, medicinally important plant from West Bengal and its addition to the flora	JEES UGC listed	2017	2(2)	34-40	ISSN :2456-5156			Corresponding author

## Publications of Dr. Manasi Mandal

	of Haryana and Uttarakhand..							
9	Ethnomedicinal plants used by some of the tribal communities of Panchet Soil Conservation Division, Bankura district, West Bengal, India	Explor. Anim. Med. Res. International & Scopus indexed	2016	6(1)	53-62	2277-470X (Print); 2319-247X (Online )	-	Corresponding author
10	Ethno-medicobotany of some tribal communities of Bankura district, West Bengal, India.	Explor. Anim. Med. Res. SCI journal (Scopus indexed)	2014	4(1)	64-80.	2277-470X (Print); 2319-247X (Online )	0.064	Corresponding author
11	Structure of Polymorphic Stomata in <i>Canella winterena</i> (L.) Geartn. (Canellaceae&	Feddes Repertorium	2014	123 (4)	295–303	1522-239x	0.265	First author
12	A new variety of <i>Rivina humilis</i> and the status of <i>R. bengalensis</i> (Phytolaccaceae)	Rheedea	2014	24(2):	99-104	0971-2313	0.09	2262 4 First Author
13	Morpho-anatomical study of <i>Malva parviflora</i> L. var. <i>microcarpa</i> (Pers.) Loscos, a new record from Eastern India.	J. Botan. Soc. Bengal UGC listed	2012	66(1)	81-84	0971-2976	-	First Author
14	A New ‘morpho-form’ of <i>Jatropha gossypifolia</i> L. (Eupobiaceae) from West Bengal, India.	J. Botan. Soc. Bengal UGC listed	2011	65(1)	87-90.	0971-2976	-	292 First Author
15	A new subspecies of <i>Tibetoseris gracilipes</i> (Hook.f.) Sennikov (Compositae-Cichorieae).	J. Botan. Soc. Bengal UGC listed	2009	63(1):	61-64	0971-2976	-	292 No
16	Stem-node continuum and leaf anatomy of <i>Canella alba</i> Murr. J. Botan. Soc. Bengal	J. Botan. Soc. Bengal UGC listed	2007	61(2)	103-108.	0971-2976	-	292 First Author
17	Addition of <i>Tradescantia fluminensis</i> Vell. (Commelinaceae) to the state flora of Sikkim, India.	Pleione	2020	14(2)	367-369	0973-9467	-	Co-author
18	Where does <i>Juglans regia</i> L. (Juglandaceae) grow in Sikkim and Darjeeling Himalaya? <i>Juglans sigillata</i> needs attention.	Pleione	2019	13(2)	393-398	0973-9467	-	No Co-author
19	<i>Bulbochaete mirabilis</i> Wittrock	NeBio	2016	7(1)	10-12.	2278-2281		First Author

## **Publications of Dr. Manasi Mandal**

	var. mirabilis f. immersa (Wittrock) Hirn (Oedogoniaceae), a new record to North East India.							
20	Node-petiole anatomy and foliar architectural patterns of two Linnean species of <i>Urena</i> Linneaus (Malvaceae) and their taxonomic status	<i>Pleione</i>	2013	7(1)	59-65	0973-9467	-	First Author
21	Algal Flora of Kalayni – I.	<i>J. Interacademia</i>	2009	13(1)	1-5	0971-9016	-	First Author
22	Morpho-anatomical study of <i>Stevia rebaudiana</i> (Bertoni) Bertoni (Asteraceae)	<i>J. Trop. Med. Plants</i>	2007	8(2)	264-267.	1511-8525	-	First Author
